ACTIVITIES REPORT DURING THE YEAR OF 2022-23

HUMAN RIGHTS ISSUES DISCUSSION:

We have arranged a programme on Human rights issues Discussion, which provides a comprehensive assessment of the state of human rights, highlighting achievements, challenges, and recommendations for improvement. By documenting violations, advocating for accountability, and promoting awareness, the report contributes to the protection and promotion of human rights.

The primary objective of the annual human rights report is to:

- 1. Assessment:** Assess the status of human rights in various sectors, including civil, political, economic, social, and cultural rights.
- 2. Documentation:** Document instances of human rights violations, discrimination, and abuses.
- 3. Advocacy:** Advocate for the protection and promotion of human rights at local, national, and international levels.
- 4. Accountability:** Hold governments, institutions, and individuals accountable for human rights violations and abuses.

SWACHH BHARAT ABHIJAN PROGRAMME:

Our Organisation organise Swachh Bharat Abhijan Programme different areas of Bidansi area of Cuttack District. In this programme several awareness campaigns were conducted through rallies, workshops, and door-to-door interactions to educate residents about the significance of cleanliness and proper waste disposal. Regular clean-up drives were organized in public areas,

markets, and schools to remove litter and waste. Community members, students, and local volunteers actively participated.

WELFARE PROGRAMME ON WOMEN:

Our Organization arranged a programme to empower women through skill development, education, and economic development. About 100 women's have attained the programme which played a vital role in empowering women in our area, and they are very happy for this type of opportunity. By providing skill development, healthcare support, financial literacy, and educational opportunities, the program significantly contributed to improving the lives of women in the community.

SKILL DEVELOPMENT TRAINING TO YOUTH GIRLS

The primary objective of the Skill Development Training program was to equip individuals, particularly youth and marginalized communities, with practical skills that align with the demands of the job market. The goal was to promote self-reliance, reduce unemployment, and stimulate economic development in the block.

The Skill Development Training program in our block during 2022-23 made significant strides in addressing unemployment, improving employability, and fostering economic growth. By providing individuals with practical skills and empowering them to secure gainful employment or start their businesses, the program not only enhanced their lives but also contributed to the overall development of our community.

CULTURAL FESTIVAL:

It is the most important activity of the organization that can change a society in a spiritual manner. Most of the physical worker can relax their hard labour through this cultural programme in some extent. It can put impact in mind also. So keeping this in mind our Members have arranged cultural programme in our Office area so that most of the rural backward people can get this opportunity of enjoyment. It is also a media to disseminate various social issue based information for the local people.

EDUCATION TO ST/ST GIRL CHILDRENS:

We have provided Free Education to SC/ST Girl Students of our area, the aim of this programme was to ensure equitable access to quality education, improve educational outcomes, and empower children from these communities with knowledge and skills for a brighter future. We have also distributed free test papers and books and other reading materials about 100 students of our area.

OBSERAVATION OF IMPORTANT DAYS:

“We have observes and celebrates different local, regional, national and international days of importance. During those days different competitions and campaigns are being organized among the students, non-student rural and tribal youths, farmers and the general public.

ENVIRONMENT AWARENESS PROGRAMME:

Since a long span of time forest has been serving us in all our needs. We cannot just avoid the forest as far gains and benefits are concerned. So it is our ultimate duty to protect it, as it has made possible our life up to the hilt. But these days the condition of forest is no safer, Deforestation is killing it. Until and unless we take a defensive step to protect the forest, then the day is not far away when we all will be under the clutch of death. So, keeping all the above in mind we have been arranging awareness camp on protection of environment by planting trees on our own land and on road side every year in our operational areas.

SPORT DEVELOPMENT PROGRAMME:

Promotion of Adventure through motivation of rural youth is also continuing this year. Different seminars have been held on this topic to encourage such spirit. On the other hand to develop among the youth a sense of pride in nationally accepted values like democracy, socialism, secularism etc. and to develop consciousness against social evils different have made this year.

To get the rural sports talent noticed on talent counting and nurturing, we take steps also a Cricket Tournament and Volleyball match have been held for 5 days at Bidanasi sports ground during December 2022

HEALTH CAMP:

We have arranged a Health Camp on 24.11.2022, the health camp aimed to provide medical services, health education, and preventive care to the community, with a focus on addressing prevalent health issues and promoting

overall well-being. About 150 Villagers have joined the programme and we have provided essential medical services, screenings, and health education to the villagers. Despite challenges, the camp contributed to improving access to healthcare and raising awareness about preventive care. Continued efforts are needed to address ongoing health needs and promote sustained well-being in the community.

CONCLUSION:

Oneness in feeling and boldness in action is the edifice upon which our Members stand. They are working at grass-root level to develop self-help groups so that a self-reliant village scene will emerge in the future. They are very much hopeful of a time when people would be able to tackle their problems on their own through mutual help and cooperation, when there will be exploitation and oppression by the vested groups. There will be an effect to do away with the social maladies and orthodox beliefs prevailing today that mars the development process. To remove illiteracy and combat ignorance efforts will be made in profession community education centers with multifarious objectives. To give a boost to village artisans and local entrepreneurs' potentialities, Our Members to be facilitated in upgrading their skills and knowledge, efforts will be made to plan as per needs of the area and weaker sections.

FUTURE PLAN

“Organisation” has finalized the future action plan as follows with provisions for adding activities at any time considering the urgency and seriousness of the need. - To organize Health Checkup programme, Women & Child Development Programme Child Education Development Programme, environment awareness Program. To organize youth development activities in rural areas. - To do any such activity as the managing committee may decide from time to time.
